## Volunteer Community Caseworker Job Position

### OUR MISSION: Connecting People to Resources and Opportunities

4People provides fast, quick, lists of resources and services in each county, for the State of Washington, with printable lists to hand out to those in need.

### OUR VISION:

#### Connecting Our Community

To provide a complete tool for each community to communicate, collaborate, co-ordinate, and serve the less fortunate.

#### 4People Tour Part 1: Resources

The cornerstone of helping our at-risk families is making sure that finding resources is easy and quick as possible. Thousands of local resources are listed on [4People.org](http://4People.org) under each county on the website Using [Benton Franklin Counties](#) page as an example click on the following:

- [County Listings](#) is a one click to get all the resources in the local area from A-Z. Quick access to list of services per category in each county.
- Also are [Family Printable Directory](#), new [Senior Provider Network](#), [Comprehensive Housing Inventory](#), [Reentry Offender Resources](#), [Shelter Vacancies](#), plus drill down detailed service listings of over 900 resources in Benton and Franklin Counties. Submit any updates [here](#).

### Caseworker Volunteer

- Please take the Tour of 4People to see the resources available in each county.
- Contact a volunteer center in your area and sign up, or sign up for an agency you wish to support. Example: You will help the clients of a local food bank get on community case management to coordinate services and make it easier to find services and support to help them out of poverty.
- Select a county you wish to provide services as a volunteer caseworker.
- Fill out the [Caseworker Release form](#) or email [contact@4People.org](mailto:contact@4People.org).

#### 4People Tour Part 2: Housing Needs:

The at-risk members of Benton and Franklin Counties need housing and you can help. If you have an apartment or house you are willing to rent to an at-risk family or individual, please complete the [Housing Registry Form](#). This information will be given directly to the caseworkers that will help the family during this time of transition.

- Also included [National Hotlines and Websites](#), and a [Self Assessment](#) to help you determine over time how self sufficient are you?
- [Self Help](#) gives direct links to [Apartment Finders](#), [Mental Health Screenings](#), and [Access to Health](#), Dental, [DSHS](#), and the [Economic Resource Directory](#).
