

## 211 Online vs Phone Support – Part two

We're looking for housing assistance – not exactly sure what kind.

So let's click through the multiple choice, 6 steps of 211 and hope we followed the right path along the way.

### **Q.E.D.**

And another very important point. An online database **MUST be optimized** for Google and other search engines. 4People database access reports show for April, 2009, 69% of visits to mobile.4people.org came from search engines, 16% for 4people.org. The Resource House database used by win211.org **is not** accessed by search engines!
