"Meeting people's needs Online, Anytime!"

4People 2008 Tour and Annual Views/Hits on Website

The cornerstone of helping our at-risk families is making sure that finding resources is easy and quick as possible. Thousands of local resources are listed on 4People.org under each county on the website Using [Benton Franklin Counties](#) page as an example click on the following:

- [County Listings](#) is a one click to get all the resources in the local area from A-Z. Quick access to list of services per category in each county.
- Also are [Family Printable Directory](#), new [Senior Provider Network](#), [Comprehensive Housing Inventory](#), [Reentry Offender Resources](#), [Shelter Vacancies](#), plus drill down detailed service listings of over 900 resources in Benton and Franklin Counties. Submit any updates [here](#).

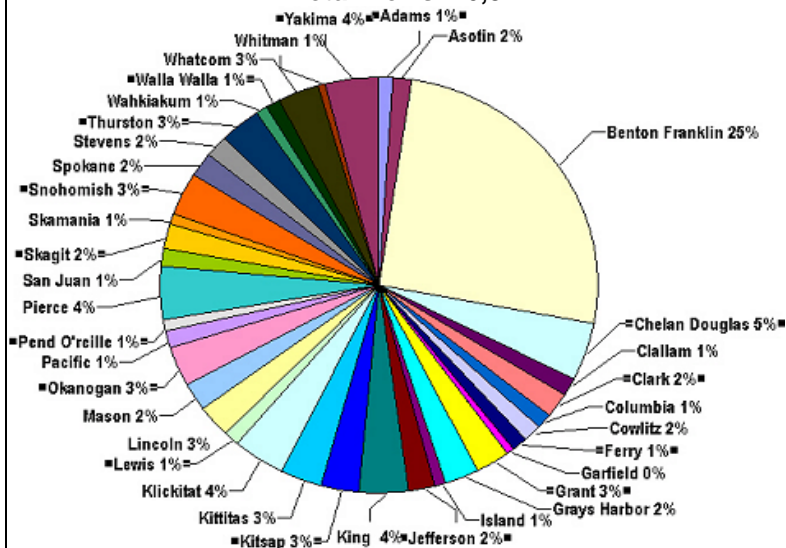

Housing Needs: The at-risk members of Benton and Franklin Counties need housing and you can help. If you have an apartment or house you are willing to rent to an at-risk family or individual, please complete the [Housing Registry Form](#). This information will be given directly to the caseworkers that will help the family during this time of transition.

- Also included [National Hotlines and Websites](#), and a [Self Assessment](#) to help you determine over time how self sufficient are you.
- [Self Help](#) gives direct links to [Apartment Finders](#), [Mental Health Screenings](#), and [Access to Health](#), Dental, [DSHS](#), and the [Economic Resource Directory](#).

2008 – We continued to simplify the process of using 4People, making it even easier for people to find the services available in their local areas. This includes a keyword search for each county of services. We also simplified the reporting to show the most viewed services.
